## **AKOFE new ex-co appointed**

The annual general meeting of the Association of KOICA Fellows in Sri Lanka (AKOFE) was conducted recently and the new executive committee was elected.

The membership of AKOFE mainly consists of senior public servants who have undergone training in their respective fields in South Korea through scholarships granted by the Korean Government.

This is a volunteer organization formed 15 years ago with the objective of effectively utilizing the knowledge and skills gained in Korea for nation building efforts in Sri Lanka. The membership now stands close to 1,000.

The Executive Committee and KOICA, organize various charity projects throughout the country.
